

L'Orchestre d'Harmonie de Kirkland
Kirkland Concert Band

The **Kirkland Concert Band (KCB)** is a 25–30 piece wind orchestra that has been a proud part of the West Island community for over 40 years. As a member of the *Fédération des harmonies et des orchestres symphoniques du Québec* and a registered non-profit organization, the KCB has had the privilege of sharing music with audiences across many boroughs and cities.

We rely on ticket sales and the generosity of community partners to continue our mission, and that is why we are reaching out to you with a sponsorship opportunity. We would be delighted if you would consider supporting us through the purchase of an **advertisement in our 2025-2026 concert programs**. Your ad will be featured in all **4** of our concert programs throughout the season, reaching audiences across the West Island (see 2025-2026 Season poster).

A bit more about our ensemble: The band grew out of an adult education music class in Rosemere, Qc and in 1984, relocated to the West Island to become the **Kirkland Concert Band**. Now, four decades later, we embark on a new chapter under the leadership of our new conductor **Brent Besner** a graduate of McGill and Université de Montréal in clarinet performance.

In addition to presenting exciting and accessible concerts, KCB is committed to giving back to our community. At our **4 Food Drive Concerts** across the West Island, we collect donations for local food banks, and we thank audiences with a delightful post-concert reception. These concerts are some of our most popular events, and are where your sponsorship ad will be seen.

Your support will not only help us continue to bring high-quality live music to the West Island, but will also show your commitment to strengthening community life through the arts.

Please refer to our **sponsorship form**, which outlines the available options. We truly hope the Kirkland Concert Band can count on your support for the 2025–2026 season.

Thank you very much for considering this opportunity to partner with us.

Sincerely,

Kathleen Logan
